Fellow Students,

Looking back on the three years I've spent here at Orchard View, I realize how important they have been to me. I have met many challenges and accomplished many goals. School offers many things to us besides education. It also offers a chance to improve ourselves in athletics, journalism, debate, theatre, Workshop, etc... Even though we leave our school years behind us, our memories will be kept forever within our yearbooks!

I would like to offer a special thanks this year to our advisor B.C. Stellard. Without her assistance our book would not exist. Also, I would like to thank Julie Bredeweg and Darlene Rabe for their help on our book. I wish Mary Ochs the very best of luck on next year's book. I hope the rest of you returning students have a great future here at O.V. Fellow Seniors, life is very short; go out and live your life the best you know how.

Someday I hope you can look back at the 1980 yearbook and say, "I was there when..."

Sincerely,

*Kent Postmus*

# RE WE AGAIN

Fall has returned and so has school.  
We now come home from a day outside  
with leaves clinging to us rather than  
sand in our shoes, books in our hands  
rather than beach towels.

No more days of wondering what were  
going to do. We now know! We'll be spend-  
ing our week days going to school when  
you get depressed or just plain don't want  
to go to school just remember for every  
hour you go you're one hour closer to grad-  
uation.

That's all behind us now. We've got to  
look to the future and step foward because  
we care and are cared about.

Good Luck!

# RUNNING

I've come a long way, Babe!

...Seniors Jim Keur and Barry Schaub did a very good job for the Cards? They both received metals in every Invitational. Barry represented OVHS in the Cross Country State-B Class Meet. Jim was injured three-quarters of the way but finished sixth in the City Meet. Randy set a new freshmen record; Lisa set a new Girl's record; and Mike came within 15 seconds of breaking the good sophomore class record. Tony, Tammy and Craig ran a few good times. We would like to thank Coach Nash and his team of eight hard working runners. More good luck next year.

# J.V. GIRLS

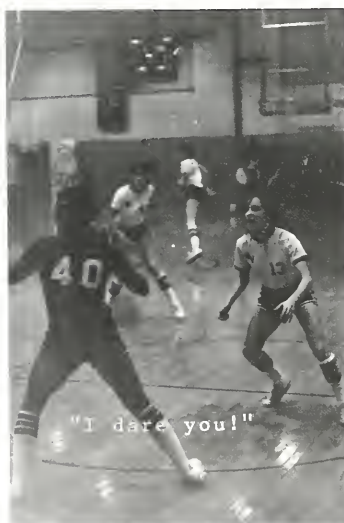

The Junior-Varsity girl's basketball team shared the title of Seaway Conference Champions with Ludington for the 1979 season. Captain for this year's team was Colleen Gajeski who scored a record 31 points in one game. The Varsity team played several teams which didn't have J.V. teams. In these cases, players were moved up from our J.V. team to the Varsity team. Each girl had this oppor-

tunity sometime in the season. In addition to playing in some Varsity games, 4 girls were moved up for tournaments. They were: Colleen Gajeski, Diane Dykstra, Lori Thomas, and Wendy Crummell. A win-loss record of 15-1 showed a great improvement over last year. The coach, Mrs. Kathie Carey, was quoted as saying, "all girls were vital members" on this year's team. Congratulations Co-Seaway Conference Champions!

Front Row L to R: Lori Wierenga, Ronnie Fierros, Teresa Anderson, Jan Wierengo, Jill Campbell, Kay Covington.

... the 1979 Varsity Girl's Basketball team broke over 90 records? Their 21-2 seasonal record was highlighted by a 19-1 regular season record and a 9-1 conference record. Every scoring and rebounding record in the conference was broken by this year's team. The team also held their opponents to an average of 39 points per game.

Orchard View placed four girls on the 1979 All-Conference team. They were: Lynn Burrell, named Most Valuable Player; Karen Decker, Jan Wierengo, and Teresa Anderson. Penny Allison was given an Honorable Mention. Lynn was also named to the All State Class B and All-Area Class A-B first team. Jan and Karen were named to the All-Area Class A-B second team and Teresa was given an Honorable Mention.

Many individual records were broken. Lynn Burrell holds the records for most rebounds and most blocked shots per game, season, and career. She also holds the records for most points (339) for the season and 729 for her career. Lynn was also selected Most Valuable Player by her teammates. Karen Decker, one of the teams co-captains, holds the record for the most points in a game (26). Jan Wierengo, the other co-captain, holds the record for most assists in a game (7) and season (93). Teresa Anderson tied the record for assists in a game and also set the record for most steals during a season with 110. Penny Allison holds the record for most steals in a single game with 11.

The team's coach, Mr. Robert Chupp, believes that this year's team proved to be one of the finest in the area because of their individual strengths in combination with team balance. He was quoted as saying, "I believe the 1979 Girl's Basketball Team was the most dynamic team I have ever coached. Their talent was outstanding and they exemplified a winning attitude at all times. With the return of three starters, a good summer, and a lot of hard work, the 1980 team should be a fine representative of Orchard View Basketball.

..Scott Skidmore and Brigitte Cole were crowned King and Queen. The 1979 Homecoming was a big success. As the wind blew, the Cardinals downed the Lakers 14-9. After the game came cars from the Royal Corvette Club and the candidates for King and Queen. A hush came over the crowd and the King and Queen were announced. Scott and Brigitte were crowned. All the excitement on the field was carried over to the Middle School for the dance.

# OUR FIGHTING

...Even though this year's Girls Swim team didn't win a single meet, they still achieved something much more important than victory. They achieved sportsmanship.

This year's Most Valuable Player was Joni Postmus. Coach Williams thinks that the team's timing has "greatly improved". He said he was looking forward to coaching next year's team.

... The 1979 Orchard View Varsity Football team proved they were number 1! The Cardinals set many outstanding records, among them 7 straight wins after losing their first two games. What made this record stand out was the fact that the team lost its first two games by a 73-9 margin. To add to the opening losses many players quit and so did head coach Doug Coe. Coe decided to stay and later was voted the Chronicles "Coach of the Year".

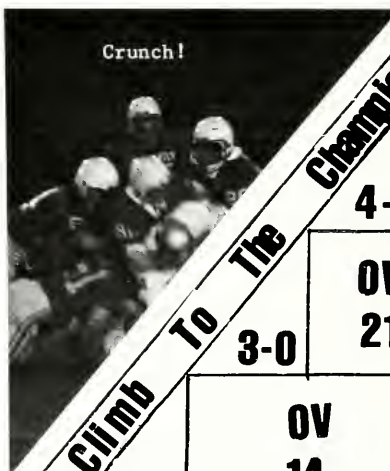

The most important and impressive record was the Cardinals 5-0 conference record. This perfect Seaway Championship record was a first in OV history. This year's team was led by co-capt. Milt Montgomery, Terry Williams, Dan Maus, and Mike Kruzel. The team had eight all conference players: Kruzel, Mike Stenberg, Mike McCarty, Ron Faino, Tom McCuley, Ron Maycomber, Mark Kolbe and Curtis Adams. Chip Gerard received honorable mention. Kruzel, McCarty, Faino, Kolbe, and Adams were selected to the Muskegon Chronicle Area A-B first team. Adams ran for 1,470 yards and 14 touchdowns, which are OV records, and received special mention to the class B All State team. Congratulations Seaway Champions. You truly are NUMBER 1!!

...the Cardinal Marching Band took the field to give you its greatest half-time show ever? The Cardinal Marching Band, with its 135 members, had a great year this year. Aside from home game half-time shows, it traveled to Catholic Central H.S., Hope College, and a few members even to Central Michigan Band Day.

To help the band gain some excitement, drum major Ken Mead taught the band a cheer that it took to soon after. It later became known as the "Band Cheer" entitled "Hustle Buns".

We would like to thank Mr. Smith, Mr. Warnaar, Marlene Nuyens, who was the flag advisor, and the public for making the 1979 Orchard View High School Cardinal Marching Band such a great success.

...they were great? This year's team proved to be just that. Mrs. Kienke was the coach for her second year. Former debater and assistant coach, Alan Hilgendorf was very helpful with this year's team.

The debate team was a member of the Valley Coast Debate League. This league included teams through-out Western Michigan. Our debate team was invited to participate in the Seaway Invitational and took third place against the other schools in the league. A lot of hard work and effort went into this year's team and it showed.

The team consisted of Belinda Carpenter-1st affirmative, Connie Rossman-2nd affirmative. Cyndee Hock-1st negative, and Joe Hock-2nd negative. Rhonda Mund was the team's timekeeper for her second year.

...Time seemed to go slowly but realized it goes quickly. It's like a circle that goes on and on. For the Class of '80 the circle is ending, but it is also beginning. We are ending our years at O.V. but starting new years which will hold new experiences. We will never forget the old memories, good or bad. They'll always be a part of us. The Class of '80 is definitely and without a doubt, unique.

The Class of 1980 would like to thank our advisors, Mr. Gibbs and Mr. Lapomarda for adding to our characters, personalities, and memories, their special touches. We'll look back on these pages to refresh and reminisce on the good ole' days! We'll remember the old friends, pep assemblies, sports events, and working together with fellow class mates on various activities; but when the pages close again, we'll continue our new circles of experiences, the old ones remaining on the bookshelf until the next rainy day.

....Individual gains in technique, responsibility, and maturity were the necessary building blocks for success? This year's squad has exhibited the above qualities. They have overcome the dismal 1-8 season, the hours of practice, and the limited number of wrestlers on the team.

The theme for next year promises a big change in the 1980-81 wrestling team. - "Respect All - Fear None."

The team's most valuable wrestler was Chuck Cowins. Most improved wrestlers were Bryan Groothuis and Scott Kocher.

...Our wreslerettes put forth a great show of enthusiasm. They were in charge of statistics and cheering our team. The wreslerettes raised money by hosting a dance, selling posters, flowers and homemade pom-poms. We'd like to say thanks to the wreslerettes for their support, and the effort given forth

The 11, 10, and 9th graders have improved greatly over the year and are ready to take the 12th graders positions. In the next couple years if we get this kind of 9th grade quality Orchard View will have a good swim team.

Lori is the team's only senior. Kary Keur was this year's Most Valuable Player. Lori French was the only member to qualify for Regionals. Unfortunately, she was injured and could not participate. Lori is a junior this year and it looks good for her next year.

. . . ninety seven couples attended the Christmas Dance? Booster Club and Workshop worked diligently to make this year's dance a success. The dance was held on December 22, 1979, in the middle school cafeteria. The theme for this year's dance was "A WINTERLAND FANTASY". Hostesses for the dance were: Jenny Cregg, Terri Amburgey, Terri Ward, and Laura Raymond. Basil Aldridge and Jeff Thomas provided the music. Christmas Dance 1979 was unique, not only because it was the largest dance in a long time, but also because of the pinata. The pinata, which contained sixteen dollars, was broken open at 10 p.m.

The 1979-80 Varsity Basketball team consisted of ten juniors and only two seniors, making it one of the youngest Orchard View teams ever. The team surprised many people by winning four out of their first five games and also five out of their last seven games.

The team was led by its co-captains Mike McCarty and Curtis Adams. McCarty was the team's leading rebounder with over thirteen per game. He was second in scoring with a healthy 14.6 points per game and received a first team selection to the All Conference team. Mike was also Honorable-Mention on the Muskegon Chronicle's A-B All Area team.

Curtis Adams, the other co-captain, was this year's leading scorer with twenty points per game. He was selected to the All Conference team for the second year in a row and was chosen as a first team selection on this year's Muskegon Chronicle's A-B All Area team.

The team placed third in the conference and finished the year with a 11-10 record, and should be even better next year with the ten players returning.

... the 1979-80 J.V. basketball team ended its season with a great 14-6 record?

Leading scorer this year was Alan Summerfield, followed closely by Mark Jalovec.

The J.V. was able to combine passing, defense, and the willingness to play together. These qualities enabled them to enjoy a very successful year.

The 1979-80 Junior class came into this year not really knowing what was expected of them. The Juniors gave a very successful homecoming with the theme, "The Long and Winding Road." The Junior class also put on the refreshment stand. They really had a blast doing this. At this time we are planning for a prom and hope to make it a most memorable event. We also hope to make enough money to have our Senior pictures in color in our next yearbook. A special thanks to all active members of the "Class of 81" and to our advisor, Mr. Chupp. Look out here we come!!

# STONE

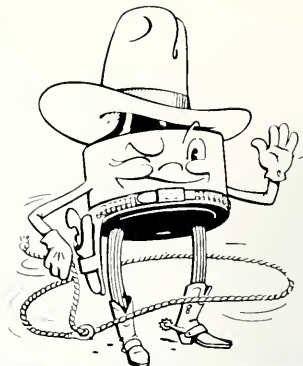

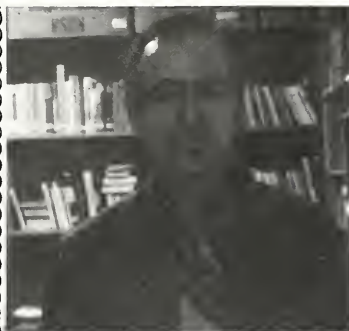

This year, the Stonehenge staff enjoyed much success.

The writers worked together like one big happy family and with their combined efforts many interesting issues were produced and distributed.

...Spirit Week was the best, greatest and most exciting week of the year? What was it? It was games, costumes, prizes, fun and much more. All four classes competed for points and it brought out the SPIRIT in everyone. Even the halls were decorated to show the whole school spirit. Stupid and childish were not used to describe Spirit Week. "Wild and Crazy" were the words!

# WILD -N- e CRAZY

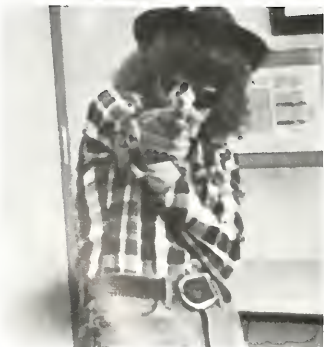

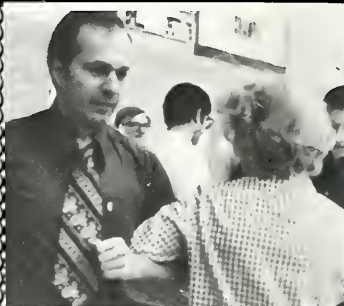

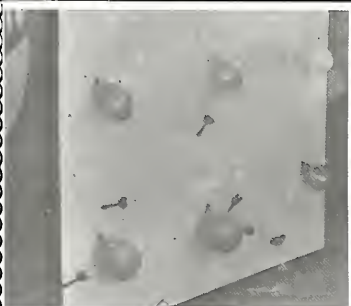

...To show off the fools that we really are there were dress up days? Monday was "Crazy Color Day". We saw odd colors and school colors. Tuesday was "Change your Face Day". Some people really got into it, and changed their whole selves. Wednesday was "Super Hero, Twin and Cartoon Day". Then there was "Clown Day". Friday was an unusual day. It was "Bum Day", "Formal Day", and "50's Day" all rolled into one. So let's hear it for SPIRIT!!!

...After school a lot of exciting and thrilling activities took place? There were quizzes: Auto Show, Name that Tune, Quiz Bowl, Liar's Club, Spelling Bee, and TV Trivia. There were contests: scavenger hunt and the guessing jar. There were the skilled competitions: ping pong, vaseline face relay, weight lifting, free throw, horizontal ladder, dart game, sit ups, push ups and swimming. Congratulations to all of the classes for showing spirit.

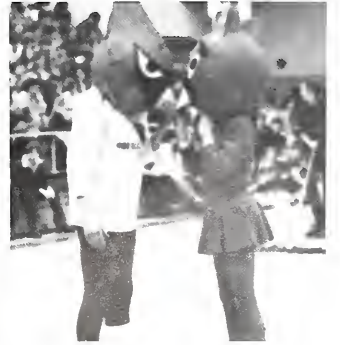

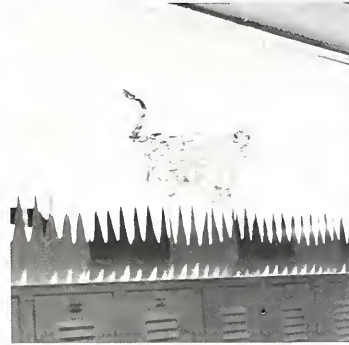

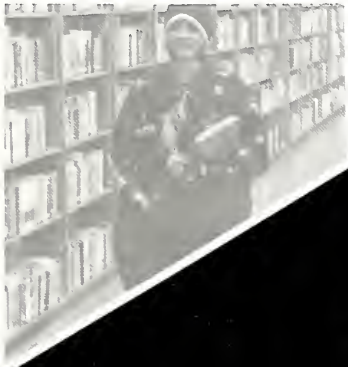

...The pep assembly was the highlight of the whole week? It summarized the class competitions and showed who was number one. We saw these contests there: Egg toss, tricycle relay and a balance beam pillow bopping contest. A thank you to Workshop and Mr. Moore for a great week.

This year's sophomore class was the wildest and craziest class ever! Never before has Orchard View seen such a group of swingers. The sophomores really "swung" their way into things this past year.

They cruised into the halls last fall with a new outlook. They decided to go stark raving, knee slapping, absolutely, incredibly, CRAZY!!! These amazingly wacko 10th graders had a dance which was swingly successful. They also had some pretty far out car washes in the spring (it was good, clean fun). And guess what? They finally won some class competition during pep assemblies!!

The loony's wish to thank advisor Stan Denman for his help and time.

The class of '82 will continue to be crazy but, on the serious side, will also grow to be a group of outstanding individuals.

This was the year of the fantastic, freaky, far out, feverishly foxy Freshman! Ninth grade is always a new experience for the incoming freshman at O.V. And, boy did this year's class make a mess of it! Seriously, the class of "83" is a really great group of people with a lot of potential for being outstanding citizens. Besides being downright crazy and trying to give their teachers a hard time, the freshman devoted their year to selling cute ball point pens and frolicking around selling magazines to help buy class rings. they also got involved in Spirit week (how could they help but get involved?) The class of "83" is grateful to Mr. Fry, their advisor, for all of his help. Mr. Fry says, "That if 25 or 30 class members get

active and support the class, they will easily reach their goals."

... the girls track season proved to be quite interesting? If you weren't you missed quite a few record breaking events. The girls track team had a new coach, Dave Overheul and his assistant coach, Kim Plumber.

Colleen Gajeski proved to be the most valuable player and represented O.V. in the state meet. The 800-relay team consisting of Teresa Anderson, Colleen Gajeski, Kelly Gajeski, and Kary Keur set a new school record of 1:48.02 against Whitehall. Laura Bernadini also broke the 2-mile record with the time of 13:18.06 in the conference meet. Congratulations!

## GOOD JOB

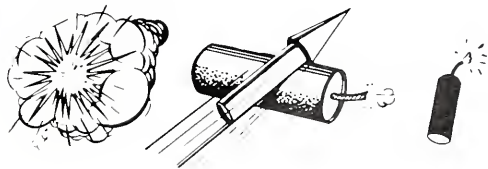

## G U Y S

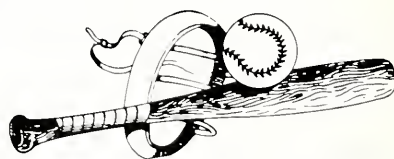

This year's track team was composed of a great group of guys. Coach Nash rated them third best track team in the history of Orchard View.

The team worked diligently and all who finished the season have a great deal to be proud of. The team broke seven records and came in third place in the final Seaway Conference League standings. The Most Valuable Player on OV's 1980 track team was Curtis Adams. Congratulations to all our track team members and to their coach, Mr. Nash.

...our J.V. Baseball team beat Spring Lake two times? Our J.V. Baseball team had a 6-9 season, but they were winners because of the effort and determination they put forth.

Steve Stenberg had the highest batting average reaching .405. The team's overall batting average was .280. This year's pitchers were Dale Beattie and Mark Jalovec. Congratulations Coach Matthews and team. You're wished the very best for next year.

...the tennis team's captain was Ken Mead? The Varsity team had a season record of 1-1. The coach, Mr. Robert Scandary, feels that this year's team was involved in more "head" game's. He is quoted, "I feel that this year's team improved both in the physical and emotional aspect of the game. To play well is easy, but to keep your cool while doing it is quite another story. Consistent shoots and volleys accompanied with good first serves were some of the growth seen during the season. With the returning team members involvement in summer tennis programs, Orchard View should be a strong contender for the #1 spot next year."

## SKIDMORE

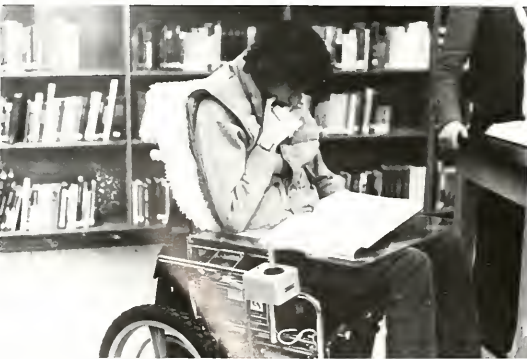

Out of the night that covers me,  
Black as the Pit from pole to pole,  
I thank whatever gods may be  
For my unconquerable soul.

In the fell clutch of circumstance  
I have not winced nor cried aloud.  
Under the bludgeonings of chance  
My head is bloody, but unbowed.

Beyond this place of wrath and tears  
Looms but the horror of the shade,  
And yet the menace of the years  
Finds and shall find me unafraid.

It matters not how strait the gate,  
How charged with punishments  
the scroll,  
I am the master of my fate;  
I am the captain of my soul.

# Penny ~ Teen Angel

Her sweet smile,  
Her twinkling blue eyes,  
Her shiny brown hair,  
She will never be forgotten.

It happened on a cold winter evening,  
When God invited her to His kingdom.  
She accepted His call and stopped  
fighting.

The terrible news shocked everybody.  
Her body left, but her lovely spirit  
will stay.  
From now on her place in class will  
be empty.  
We don't know why it had to be  
this way.

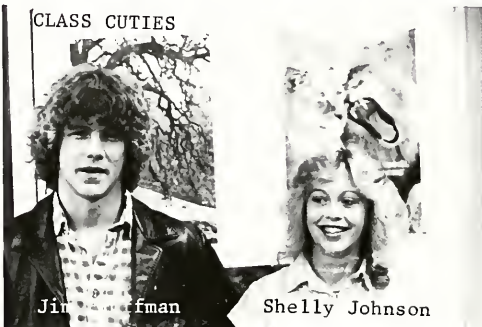

We leave us a beautiful memory,  
Until we meet again; goodbye,  
Penny.
